

Dear Waterbury Families,

Explore More Day is coming to Waterbury Students on Friday, May 21 2010! Explore More Day, Kindergarten through fifth grade, will be a day when students put aside their "regular curriculum" and have an opportunity to explore and experience a variety of interests. Kindergarten and first grade will have a "modified" program; second through fifth grade will select and attend 5 classes throughout the day. To make this huge undertaking work we need 45 classes for the day! You may volunteer to "teach" a class, be an "aide" for a class, or volunteer in any other areas on the attached form.

Here are only a few suggestions of what you might want to teach or help with:

Candy Making	Waterbury Survivor	Photography
Aerobics	Stamping /Decorating	Hair/Nails 101
Slime Gak and Ooze	Baseball	Ice Cream Sundaes
Paper folding	Baton	Wood Working
Glass Painting	Football	Stenciling
Beading/Jewelry	Science	Fleece Pillows/Scarves
Television Production	Fleece Pillows	Karaoke
Tye-Dye	Cake Decorating	Day at the Spa

We are open to any other classes/activities that are "safe" and child friendly! So let your imagination begin. Call a friend, team up with them, and let us know we can count on you! Once our instructors are in place and classes are scheduled, we'll begin sending out more information.

This is our seventh year in bringing this wonderful learning opportunity to our Waterbury children. Plan on spending May 21 with us at Waterbury, a day of Exploring! Any comments, questions or to join our committee please contact Tricia Elbl at (630) 671-9534 triciaelbl@gmail.com or Amisha Baker at 630-706-1557

Please return this form by January 15, 2010.
